

## Raisin Almond Mix

- 2-3 handfuls whenever you get that hunger craving

The Raisin Almond Mix is a great snack for a healthy option when you are on the run. Just a handful of the trail mix will satisfy that craving for food and allow you to keep moving without hurting your healthy lifestyle. The Raisin Almond mix is a good choice if you don't want all the dried fruits found in the trail mix.

### **Description**

Our Certified Organic Raisin Almond mix is a blend of lightly roasted and salted California Almonds and Raisins. This is a perfect complement to the Ryno Power Sports Supplements on a day of training and racing. They have all the good fats, proteins and carbs from the cleanest organic source with no chemicals, sugars or fillers added. Make your body satisfied and run at its optimum. It's important to have these Proteins, Carbs and Fats in every meal. When you can't have a big meal it's important to have snacks that hit these three points in a light easy package that reseals for your convenience. This is the solution when your body needs healthy fuel.
